Mr. V. K. Aravindaksha Menon *(Chief Engineer):* There is no law for that now. Some law will have to be introduced in the State and probably within a period of five or six years that may be done.

Mrs. T. Francis *(Women-Ernakulam):* That means, altogether, it may take 5 or 6 years.

Mr. V. K. Aravindaksha Menon *(Chief Engineer):* That depends upon the response of the people to the scheme.

Mrs. T. Francis *(Women-Ernakulam):* If the Government request the people and a law is passed and everything is done immediately, people will have to come to the terms of the Government.

Mr. V. K. Aravindaksha Menon *(Chief Engineer):* By that method we can expedite matters.

മിസ്റ്റർ വി. ആർ. കൃഷ്ണനെഴുത്തശ്ശൻ: ഈ സ്കീംകൊണ്ടു നൈരാശ്യമായിൽ വളമാക്കാൻ സാധിക്കയില്ലെന്നല്ലെ പറയുന്നതു"?

മിസ്റ്റർ വി. കെ. അരവിന്ദാക്ഷമേനോൻ: അതു ഇപ്പോൾ തീച്ചുപായാൻ സാധിക്കയില്ല.

Mr. A. Eachara Menon *(Chittur-Tattamangalam):* What has the committee, of which the Hon'ble the Lady Member is a member, done so far?

Rao Sahib C. J. Mathew *(Secretary to Government):* They met once before the Council and decided that the Diwan Peishkar should go and inspect a site near Trippunittura, where it is said that about 75 to 100 acres of barren land are available for the purpose. If such a site is available and if the dumping ground is located right in the centre of that extensive plot, the chances are that nobody would complain about it. The Diwan Peishkar has been asked to investigate and report to the committee within 15 days.
